Exciting News—Denbigh Mission Hub.

Denbigh Parish has been selected to be one of the three Parishes to become a Mission Hub in 2026 in our Diocese. This means that the funding is being provided for an additional full-time associate priest and a full-time community worker to join us for five years, to help bring growth to Denbigh Parish and the wider Mission Area.

We have also been able to secure £11,000 of grant funding for two new large screens and high quality PA equipment to help us with our work of reaching out to our Town and inviting them to faith and church.

This will be a great help in adding to the excellent work already happening in our churches. We want to continue to care for and grow our existing congregations, as well as creating different types of events and services for people who would need a different approach.

This is good news for everyone. Let's pray that God gives us wisdom in our planning in the months ahead.
